

## Thank you.

Last year, Big Paws pledge walkers, just like you, raised more than \$15,500, contributing significantly to a total \$25,000 raised by the 2009 event. These funds went *directly* to improving the quality of life for the more than 3,000 homeless, abused and injured animals that enter our shelter every year.

*Thank you* for collecting pledges for this year's event. Our fundraising goal for 2010 is \$30,000 and with more animals than ever entering our shelter, we need your help and hard work!

The pledges you raise will provide lifesaving surgeries, purchase veterinary care and medications, reduce animal homelessness through spay/neuter programs, adoptions, foster care and microchipping, and help educate people about responsible pet ownership. As a community-based charity, every dollar remains in our community and helps us to care for local animals in need.

Our top fundraisers are eligible for great prizes and everyone can participate! Pass on our pledge forms to your family and friends for even more fun. Our forms can be photocopied or downloaded from our website at

**[www.kingstonhumanesociety.ca](http://www.kingstonhumanesociety.ca)**

This year we are also offering TEAM REGISTRATION! Join with officemates, co-workers, friends, family or neighbours and raise even more pledges. Special prizes will be awarded to top team pledge earners! Team forms available online or at the shelter.
